*Preference will be given to those people who can stay for the whole week and who have particular skills/experience to offer. It is really helpful to us if we have a core group of people who know how Camp and its systems operate. It provides our children with some stability and continuity as well as enhancing the safe running of the camp.

*Because of cost and space considerations it will not be possible to accommodate parents, apart from our core group, who wish to stay overnight. The Camp charges us for extra adults and we will be limited as far as accommodation and food is concerned. However, you are most welcome to come and help us out during the day. Thank you for your understanding with this matter.

We also need **vehicle/trailer** help with the baggage on Monday and/or Friday. Please indicate if you can help out.

An adult is needed to buy some **Camp supplies** for cleaning etc. We have a list - do we have a volunteer (s) to do this please? Please see Jos Van Beusekom in Room 18 if you are able to help.

We are all looking forward to a very successful, safe, challenging and happy camp.

Victoria Wilson, Rochelle Foster and Jos Van Beusekom
